WGCU DIVERSITY STATEMENT

WGCU as part of Florida Gulf Coast University is committed to establishing and maintaining an inclusive working and learning environment in which students, faculty, administrators, staff, curriculum, social activities, governance, and all other aspects of the campus life reflect a diverse, multi-cultural, and international worldview.

At FGCU, we collectively stand against any individual or group that practices any form of racism, discrimination, intolerance, hate expressions, or disrespect. We are committed to preparing students to understand, live among, appreciate, and work in an inherently diverse country and world made up of people with different ethnic and racial backgrounds, religious beliefs, abilities, ages, gender identities, sexual orientations, socio-economic status, cultural traditions, family statuses, and military backgrounds. FGCU strives to hire great people from a wide variety of backgrounds, not just because it’s the right thing to do, but because it makes our University stronger. The University community recognizes the importance of a diverse and inclusive institution and holds these ideals as paramount for the current and future success of the institution.

We seek colleagues who promote and embrace diversity, equity, and inclusion. We encourage individuals from diverse backgrounds to apply for this position as we believe that our University will grow and move forward through a commitment of equality for all.
